WATER SERVICE INTERRUPTION AT BIRCH GROVE PARK

Belle-Baie, June 10, 2026 - The Town of Belle-Baie informs that water service at Birch Grove Mobile Home Park, located in Beresford area, was interrupted this morning for an indefinite period. This decision, taken as a last resort, follows a significant payment default by the park owner.

Despite numerous efforts undertaken by the Town, including an agreement reached with the owner to avoid such action, the amounts owing for water and sewer services remain unpaid in full. On December 16, 2025, the Municipal Council adopted a resolution authorizing legal proceedings against Birch Grove Park Ltd. to recover the amount of **\$477,772.45, representing unpaid service fees and accrued interest as of that date.**

The Town of Belle-Baie is fully aware of the inconvenience this situation causes for Birch Grove residents and sincerely regrets the impact on their daily lives.

For any questions regarding the restoration of water service or future steps, residents are encouraged to contact their landlord directly.
